

Altec Lansing N1500A Series type crossover designed for the famous Altec Lansing 604E Duplex driver

Altec Lansing N1500A Series type crossover designed for the famous Altec Lansing 604E Duplex driver

Some values are a bit hard to read so I've also listed them here:

R1 15 Ohm 10W

R2 25 Ohm

C1 14uf

C2 3uf

L1 1.5 mH
